The easement area of each Lot and all improvements in it shall be maintained continuously by the owner of the Lot, except for those improvements for which a utility company is responsible. Within any drainage easements, no dredging, filling, structural improvements, planting or other materials of a temporary or permanent nature shall be placed or permitted to remain by any Owner which might appear unsightly adjacent to any easement, without first being approved by the Architectural Review Representative. (a) an annual assessment, and (b) any special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable legal fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable legal fees, shall also be the personal obligation of the person(s) who is the Owner of such Lot at the time when the assessment becomes due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to provide for the acquisition, improvement, care and maintenance of any Common Area and any property owned by the Association. The association shall have the obligation to maintain any Common Areas (including, without limiting the generality of the foregoing), any and all drainage facilities, structures, holding and retention ponds, road pavement and soil supporting the roads, curbing, street signs, street lights, and all infrastructure that is built for the use and enjoyment of all Lot owners, whether denominated as such on the recorded plat, and to promptly pay in cash or check all property taxes or any other assessment or tax made upon them. The Association may agree to transfer all property to any public authority or utility if the utility agrees to continuously, and without condition to, maintain such property. The Association may fund in a reserve account such sums as it determines in good faith are necessary and adequate to make periodic repairs and improvements to any Common Areas.

Section 3. Annual Assessments. Until January 1, 2019, the maximum annual assessment shall be \$100.00 per Lot.

- (a). From and after January 2, 2019, the maximum annual assessment may be increased each year not more than 25% above the potential maximum assessment for the previous year without a vote of the membership.
- (b). From and after January 2, 2019, the maximum annual assessment may be increased above 25% of the previous year's potential maximum assessment by a vote of 2/3 of the Lot Owners who are voting in person or by proxy at a meeting duly called for this purpose.

- (c). The Board of Directors of the Association shall fix the annual assessment at an amount not in excess of the potential maximum assessment.
- (d). Regardless of the provisions above, the Association shall be obligated to pay all ad valorem property taxes upon any Common Area, drainage easements, storm water ponds, drainage facilities, right of ways, and any property not dedicated to a public entity, and all property owned by the Association. No limitation above shall ever prohibit the Association from increasing the annual assessment to an amount sufficient to pay such taxes.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment per Lot applicable to that year only for the purpose of defraying, in whole or in part, the cost of any acquisition, construction, reconstruction, repair or replacement of a capital improvement upon any Common Area, drainage structure, holding pond, roadway, curbs, street signs, street lights, and any other real property owned by the Association or any public property adjoining or in the same general locality as the Development, including fixtures and personal property related thereto, provided that any assessment shall have the assent of 2/3 of the votes of the Owners who are voting in person or by proxy at the meeting duly called for this purpose. Written notice of the amount and due date of any special assessment shall be mailed postage prepaid to every Owner subject thereto.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 (b) or 4 of this article shall be sent by United States Mail, postage paid, to all Owners (as of 90 days prior to date of mailing of such notice) not less than 15 days nor more than 30 days in advance of this meeting. At the first such meeting called, the presence of members or of proxies entitled to cast 50% of all the votes shall constitute a quorum. If the required quorum is not present, the required quorum at the subsequent meeting shall be 1/3 of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments shall be fixed at a uniform rate for Lots in the Development.

Section 7. Annual Assessment Periods and Due Date. The annual assessment shall be assessed on a calendar year basis and is due and payable on such date as set forth by a resolution of the Board of Directors of the Association. The Board of Directors of the Association shall fix the amount of the annual assessment for each Lot in advance of each annual assessment period (except for the year in which this Declaration is recorded, when the Board of Directors of the Association may fix the amount of the current year's annual assessment at any time prior to December 1). Written notice of the annual assessment shall be mailed to every Owner. The annual assessment provided herein shall not commence prior to the first day of the first month after this document is recorded in the public records of Santa Rosa County, and shall commence thereafter as determined by the Association. Upon commencement, the Association is not required to prorate the first year's assessment. The Association shall, upon written request and for a reasonable charge, furnish a sealed certificate signed by an officer of the Association stating what assessments are outstanding against any Lot and the due date for such assessment. A properly executed and sealed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any annual or special assessment not paid within 30 days after the due date shall bear interest from the due date at the highest legal rate. The Association may, after first giving 10 days' written notice to the holder of any first mortgage, bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the property. No Owner may waiver or otherwise avoid personal liability for the assessment provided for herein by non-use of any Common Area, facilities or real property owned by the Association of abandonment of his Lot.

Section 9. Maintenance. In the event an Owner shall fail (after 30 days written notice from the Association, the Architectural Control Board or the Architectural Review Representative sent United States Mail, postage prepaid) to maintain a Lot, easement areas pertinent to the Lot, or improvements situated thereon in a neat, clean and orderly fashion and otherwise satisfactory to the Board of Directors of the Association, the Architectural Control Board or the Architectural Review Representative may have the right, through its agents, employees and contractors, to enter upon said Lot and to repair, maintain and restore the Lot and/or exterior of the building or any other improvements erected thereon. The cost of such Lot and/or exterior maintenance, together with interest at the maximum rate then allowed by law (if not paid within 30 days after written demand therefore), as well as reasonable legal fees and costs shall be a charge on the Lot, shall be a continuing

lien on the Lot and shall also be the personal obligation of the Owner of such Lot at the time such maintenance is performed.

ARTICLE VI

Common Areas

Section 1. Owner's Easements of Use and Enjoyment. Every Owner shall have a right and easement of use and enjoyment in and to the Common Areas that shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

The right of the Association, in accordance with its articles and bylaws, to borrow money for the purpose of improving and maintaining the Common Areas and facilities, and in aid thereof, to mortgage said property, but the rights of said mortgagee in said properties shall be subordinate to the rights of owners hereunder;
- D. The right of the Association, in accordance with its articles and bylaws, to reasonably limit the use of any Common Area by published rules and regulations, including the number of guests and prescribing hours of usage.

Section 2. Delegation of Use. Section 3. Grant/Reservation of Easement.

- A. Declarant does hereby grant a nonexclusive perpetual easement and right of ingress and egress across, under and to all Common Areas unto each and all law enforcement, medical personnel/ambulance, firefighting and postal or delivery organizations, and to any other persons, organizations or entities who, in the normal course of their operation, respond to public or private emergencies, or who provide public or private utility services.

Section 2. In the event of damage to or destruction of any improvements located within the Lots from fire, windstorm water or any other cause whatsoever, the Owner shall, within a reasonable time, cause said improvements to be repaired or rebuilt so as to place the same in as good and tenable condition as existed before the event causing such damage or destruction; failure to do so shall constitute a breach of these covenants. All insurance proceeds for loss or damage to any improvements upon any Lot shall be used to assure the repair or rebuilding of any such improvements.

ARTICLE VIII

General Provisions

Section 1. The Association, the Declarant, the Architectural Control Board or any Owner shall have the right to enforce by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges imposed by the provision of this Declaration. Failure by the Association, the Declarant, the Architectural Control Board or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. If any court proceedings are required for the successful enforcement of any condition, restriction or covenants herein contained (due to its violation or breach) or lien against any Lot or against any person or entity, said Owner, person or entity expressly agrees to pay all costs, including reasonable legal fee, to the Owner, the Architectural Control Board or the Association who initiates such successful judicial proceedings for the enforcement of said condition, restriction, covenant, reservation, charge or lien. The Declarant shall have the right to partially or fully assign any of its rights and powers in these covenant and restrictions, or in the Association as he wishes.

Section 2. Invalidation of any one of the covenants, conditions or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect thereafter.

Section 3. The covenants, conditions and restrictions of this Declaration shall run with and bind the land, shall be deemed a part of all deeds and contracts for conveyance of any and all Lots, and shall be binding on all Owners and all persons claiming under them for a period of 25 years from the date this Declaration is recorded, unless amended by an instrument signed by 2/3 of the then Lot Owners. After the initial 25-year term, this Declaration shall be automatically extended for successive periods of 10 years, unless amended by an instrument signed by a majority of the then Lot Owners. Notwithstanding the foregoing, Declarant reserves the right unto itself to amend this Declaration at any time, for any reason, within three years after date hereof. Any amendment to this Declaration must be recorded in the public records of Santa Rosa County, Florida.

Section 4. Additional property adjacent to the Subdivision, may be annexed by Declarant whereupon the Owners of such additional property shall thereupon and thereafter have the same rights, privileges and benefits, including, but not limited to, the right to use the Common Areas, and be subject to the same responsibilities and obligations, as if such annexed Lot and/or building sites (and the owners of same) were originally described herein. Additionally, nothing in these covenants or restrictions shall be construed as restricting the Declarant from using any Lot in the subdivision to access the proposed Development with a paved road, utilities or any other improvement needed to serve the Development.

Section 5. Neither the Association, Declarant, the Architectural Control Board nor the Architectural Review Representative shall, in any way or manner, at law or equity, be held liable for failure to enforce the conditions, restrictions and covenants herein contained to any Owner or any other person or entity for any violation of the restrictions set forth herein by any Owner.

Section 6. Common areas identified on the recorded plat for the Subdivision are for the enjoyment of all class of members of the Association. Additionally, each Owner agrees to hold every property owner of the Subdivision harmless due to damage to property or bodily injury except when such damages are the result of a criminal act.

Section 7. Greenbelt areas and drainage easements have been established for the benefit of all Lot Owners and their family or guests. Each owner agrees to hold every property owner of the Subdivision harmless due to damage to property or bodily injury as a result of the use of the greenbelt

areas or drainage easements. Additionally, the portion of greenbelt areas or drainage easements that have common boundaries with an Owners' Lot may not be accessed by the Owner through the Owners' Lot, but must be accessed only by other adjoining easements under the control of the Association.

Section 8. Each owner understands and acknowledges that the drainage easements, retention and detention ponds and greenbelts located in the subdivision are stormwater management areas and are designed to receive stormwater runoff from additional lands and storm water management areas adjacent to the Subdivision. The Declarant discloses that the stormwater management areas in the Subdivision shall be adjacent to, contiguous with, have common boundaries with, or be hydrologically connected to future storm water management areas to be built on lands adjacent to the Subdivision. All such stormwater management areas shall be constructed in accordance with the subdivision regulations of Santa Rosa County, Florida; in effect at the time this document is recorded. Each owner in purchasing property in the subdivision agrees to the provisions of this section.

Section 9. Any single violation of any use restriction by an Owner shall constitute a continuing violation, which shall allow the Association to seek permanent injunctive relief. In no event shall a violation of these conditions, restrictions or covenants ever be interpreted to work a reverter or forfeiture of title.

Section 10. Any or all of the restrictions and covenants herein contained, may be annulled, amended, or modified at any time by an instrument executed by the then record owners of 2/3 or more of the Lots in the Subdivision; provided, however, that no amendment shall place an additional burden or restriction on any Lot in the Subdivision covered by these covenants unless the owner of record of said Lot joins in the amendment.

Section 11. Subordination of Assessment Lien to First Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage which was originally recorded as a first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a foreclosure of such a first mortgage or any proceeding or conveyance in lieu thereof, shall extinguish the lien of such assessments as to payment which became due prior to the date of such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter coming due or from the lien thereof.

IN WITNESS WHEREOF, Declarant has executed this Declaration this 25 day of JAN, 2018.
