

ARC Pre-approved plant list (Harmony Estates)		
Simply because a plant is on this list does not guarantee its success.		
Homeowners are strongly encouraged to research the light, water and space requirements of individual plants before placing them within existing landscape beds.		
PERENNIALS		
COMMON NAME	SCIENTIFIC NAME	NOTES
African/Butterfly Iris	<i>Dietes iridoides</i>	
Amaryllis	<i>Hippeastrum spp. & hybrids</i>	
Angelonia	<i>Angelonia angustifolia</i>	
Black-Eyed Susan	<i>Rudbeckia hirta</i>	
Blanket Flower	<i>Gaillardia pulchella</i>	
Caladium	<i>Caladium Xhortulanum</i>	
Canna Lily	<i>Canna spp.</i>	
Coleus	<i>Solenostemon scutellarioides</i>	
Daylily	<i>Hemerocallis spp.</i>	
Gloriosa Lily	<i>Gloriosa spp.</i>	
Impatiens	<i>Impatiens spp.</i>	
Iris		Both <i>Iris hexagona</i> & <i>Iris virginica</i>
Kalanchoe	<i>Kalanchoe blossfeldiana</i>
