Buildings and improvements of a permanent nature erected or placed on the Common Area and any activities that alter the nature of the Common Area shall require the prior approval of the Members. The Association has the right to restrict the use and govern the operation of the Common Area by promulgating reasonable rules and regulations, including with respect to any Common Area, the right to charge reasonable one-time or monthly fees for the use thereof by the Owners as the Association deems necessary or appropriate. Rules and regulations may be established by the Association to regulate the use of the Common Area. The necessary work or maintenance, repair and replacement of the Common Area and the making of any additions or improvements thereto shall be carried out only as provided in this Declaration, the Articles of Incorporation and the Bylaws.

2.02 Right of Enjoyment. Subject to any rules and regulations promulgated by the Board of Directors, every Member shall have a right and easement of enjoyment of the Common Area, and such easement shall be appurtenant to and pass with the title to each Lot.

2.03 Restrictive Covenant on Common Area. A restrictive covenant is hereby imposed on the Common Area such that no part of the Common Area may be developed for residential or commercial purposes; provided, however, that the Declarant and/or the Association shall have the right, but not the obligation, to construct and install amenities on the Common Area that are for the use and enjoyment of the Members, subject to the terms and conditions hereof and any rules and regulations adopted by the Association. This restrictive covenant shall run with each Lot and shall exist for the benefit of the Owners and be binding upon, their successors and assigns.

2.04 Lots Subject to Covenants, Restrictions, Limitations and Term. Each Lot that shall be conveyed, held, devised, leased, or demised at any time hereafter shall be subject to all the terms, conditions, covenants, restrictions, and limitations herein contained, and the obligation to observe and perform the same whether or not it be so expressed in the deed or other instrument of conveyance of the Lot or property, and such shall run with the Lot or real property and be appurtenant thereto as if fully set out in such deed or instrument of conveyance, subject to the terms and conditions of this Declaration.

2.05 Easements.

- (a) Access Easement. An easement for vehicular and pedestrian access is hereby reserved over and across all private roadways in the Subdivision for the benefit of the Association, all Owners, and all tenants and guests of all Owners (the "Access Easement"). The Association shall have the right to promulgate rules and regulations for the use of the Access Easement. The maintenance and repair of the road surface that constitutes the Access Easement shall be performed by the Association.
- (b) Easements and Buffer Strips. All easements and buffer strips shown on the Plat of Subdivision, if any, are hereby adopted as part of this Declaration and all Lots in the Subdivision shall be subject to such easements and buffer strips.
- (c) Structures. Notwithstanding anything to the contrary above, fences may be built, erected, or maintained upon any easement, except fencing which materially impedes the flow of water from one lot to another, i.e. swales moving water across the rear easement areas of multiple lots. In addition, fencing along common lot lines is permissible.
- (d) Overhead Wires. No Lot shall be served with any overhead electrical or communications service, and no Lot Owner shall erect power poles for such service; provided, however, that nothing herein shall be construed to prohibit overhead street lighting or ornamental yard lighting provided that such lighting is constructed in accordance with the terms and conditions of this Declaration.

2.06 Control of Common Area. The Association may, upon approval by the Members, sell, subdivide, lease, mortgage, grant easements over or otherwise encumber the Common Area, or exchange all or any portion of the Common Area for Lots or other real or personal property, or purchase or acquire any additional real property or personal property and dedicate the same as Common Area subject to the terms of this Declaration.

2.07 Condemnation. In the event of a taking by eminent domain of any portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements so taken on the remaining Common Area, unless within sixty (60) days after such taking, an alternative plan is approved by at least 75% of the voting interests of the Members. The provisions of this Declaration applicable to replacement or restoration of damaged

improvements on the Common Area shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

2.08 Liability. Owners, occupants and their guests shall use and enjoy the Common Area at their own risk and shall assume sole responsibility for their personal belongings used or stored there. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable for personal injury to any person, nor for loss or damage to personal belongings used or stored on any of the foregoing property. The Association shall not be liable for injury or damage to any person or property (a) caused by the elements or by an Owner or any other person, (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, or (c) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Nor shall the Association be liable to any Owner or occupant for loss or damage, by theft or otherwise, of any property of such Owner or occupant.

2.09 Right to Transfer. The Association shall have the right to dedicate or transfer all or any part of the Common Area, to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedications or transfers shall be effective unless an instrument signed by the Members entitled to cast sixty seven percent (67%) of the votes of the Association has been recorded, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than (30) days and no more than sixty (60) in advance of such dedication or transfer. Notwithstanding the foregoing, Declarant specifically reserves and retains the rights to transfer and convey to Emerald Coast Utilities Authority (ECUA), or to any other appropriate entity, any surface water management system facilities on the Common Area of the Subdivision.

2.10 Suspension from Common Area. In accordance with Chapter 720, Florida Statutes, the Association shall have the right to suspend the voting rights and the right of an Owner to use and enjoy any recreational facilities situated upon the Common Area for any period during which any assessment against an Owner's Lot remains unpaid or any violation of the provisions of this Declaration remain uncured by the Owner, but in no event shall the suspension of voting rights and the right of an Owner to use and enjoy any recreational facilities situated upon the Common Area exceed sixty (60) days for any infraction of its published rules and regulations pertaining to the use and enjoyment of any such recreational facilities.

ARTICLE THREE **ASSOCIATION, MEMBERSHIP AND VOTING RIGHTS**

3.01 The Association. The operation and administration of the Common Area shall be handled by the Association. The Association shall have exclusive authority and power to maintain a class action and to settle a cause of action on behalf of Owners with reference to the Common Area and with reference to any and all other matters in which all of the Owners have a common interest. The Association shall have all the powers and duties set forth in the Articles of

Incorporation and the Bylaws. The Association shall have a reasonable right of entry upon any Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of the Common Area and further, shall have the right to grant permits, licenses, and easements over the Common Area for utilities and other purposes reasonably necessary or useful for the proper maintenance or operation of the Common Area. The Board of Directors shall have the authority and duty to levy and enforce the collection of general and specific assessments for common expenses and is further authorized to provide adequate remedies for failure to pay such assessments.

3.02 Membership. Each Owner shall be a Member, subject to the terms and conditions of the Articles of Incorporation and the Bylaws.

3.03 Voting. Voting by Owners shall be in accordance with the Bylaws.

3.04 Assignment. The share of a Member in the funds and assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as an appurtenance of said Owner's Lot.

3.05 Reserve Fund. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Area and for such other purposes as may be set forth herein (the "Reserve Account"). The Reserve Account shall be maintained out of regular assessments for common expenses.

3.06 Delegation of Management Duties. The Association, through its Board of Directors and in accordance with the authority granted to the Board in the Bylaws, may, but shall not be obligated to, contract for the management and maintenance of the Common Area with a licensed manager or a management company to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of assessments, keeping of records, enforcement of rules and maintenance, repair and replacement of the Common Area with funds made available by the Association for such purposes. The Association and its officers however, shall retain at all times the powers and duties provided in Chapter 720, Florida Statutes, as amended from time to time.

ARTICLE FOUR **COVENANT FOR MAINTENANCE ASSESSMENTS**

4.01 Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot, hereby covenants, and each Owner of any Lot, regardless of how his or her title has been acquired, upon acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, (2) special assessments for capital improvements to the Common Area, and (3) the lien for assessments for capital improvements to the Common Area by any governmental entity ("Governmental Assessments"), as such assessments are hereinafter established and shall be collected as hereinafter provided. The annual, special, and Governmental Assessments, together with interest, costs, an administrative late fee not to exceed the greater of twenty-five and no/100 dollars (\$25.00) or five percent (5%) of the amount of each installment that is paid past the due

date, and reasonable attorneys' fees, shall be a charge on the Lot and shall be a continuing lien upon the property against which each such assessment is made. Any payment received and accepted by the Association shall be applied first to any interest accrued, then to any administrative late fee, then to any costs and reasonable attorney's fees, and then to the delinquent assessments. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall pass to successors in title.

4.02 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to provide for the management, care and maintenance of the Common Area and any improvements constructed thereon, including provision for appropriate insurance against casualty and liability. The Association shall have the obligation to maintain the Common Area (including, without limiting the generality of the foregoing, any and all easements, drainage facilities, landscaping, structures, holding and retention ponds, and the like, whether denominated as such or otherwise) and shall pay all ad valorem property taxes assessed upon them. The Association may fund in the Reserve Account such sums as it determines in good faith are necessary and adequate to make periodic repairs and improvements to any part of the Common Area.

4.03 Annual Assessments. To provide the total sum necessary for the insurance purchased by the Association hereunder, the Reserve Account, the maintenance, repair and replacement (as applicable) of any improvements located on the Common Area, and any and all other expenses of the Association (whether pertaining to the ownership, operation, use, maintenance, and/or repair of the Common Area or otherwise), each Member for each Lot owned shall pay a portion of the total amount necessary for such purposes to the Association. The portion to be paid by each Member for each Lot owned shall be calculated as set forth in the Articles of Incorporation. The amount of assessment assessed against each Member as provided under the foregoing sentence shall be assessed by the Association as a lien at the beginning of each annual assessment period.

4.04 Special Assessments for Capital Improvements Upon Common Area. In addition to the annual assessments authorized above, the Board of Directors may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area and any entrance wall or signage, including fixtures and personal property related thereto; provided, however, that the total of all such special assessments for any given calendar year shall not exceed \$_____ per Lot, unless such special assessments in excess of such total are approved by the affirmative vote of the Members holding a majority of the voting rights in the Association. Notwithstanding the foregoing, before Turnover, the Board of Directors may not levy a special assessment unless a majority of Members, other than the Declarant, has approved the special assessment at a duly called special meeting.

4.05 Date of Commencement of Annual Assessments and Due Dates. The annual assessments provided for herein shall commence as to a particular Lot upon conveyance of the Lot to any Owner who is not Declarant or a Builder. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall

fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors, and one-fourth (1/4th) of any annual maintenance or other special assessment shall be due each calendar quarter. Within thirty (30) days after a written request, the Association shall, for a reasonable charge as established by the Board of Directors, furnish a certificate signed by an officer of the Association, setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance. If the Board of Directors does not fix an annual assessment in advance of any annual assessment period, the annual assessment for the period will be the same as for the prior period until the Board fixes a new annual assessment amount.

4.06 Effect of Nonpayment of Assessments and Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest thereon at a rate to be set by the Board of Directors but in no event greater than the maximum percentage rate as may then be permitted under the laws of the State of Florida. The Association may bring an action at law or in equity against the Owner personally obligated to pay the same, foreclose a lien against the property or seek injunctive relief. Interest, costs, and reasonable attorneys' fees of any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to or other conveyance of an interest in a Lot, hereby expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of each charge as a debt and to foreclose the aforesaid lien by all methods available for the enforcement of such liens, including foreclosures by an action brought in the name of the Association in a like manner as a mortgage lien on real property. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all Owners. The Association, acting on behalf of the Owners, shall have the power to bid for an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of said Owner's Lot. The Board of Directors may also suspend the use rights of any Owner of the Common Area in the event of a failure to pay any assessment within thirty (30) days of the applicable due date. Prior to such suspension, any Owners will be given 14 days' notice of the suspension and an opportunity for hearing, if required, pursuant to Florida law.

4.07 Subordination of the Lien to Mortgages. The lien of the assessments provided for herein, except for any Governmental Assessment, shall be subordinate to the lien of any first mortgage on a Lot. Sale or transfer of any Lot shall not affect the assessment lien; provided, however, the sale or transfer of any Lot pursuant to foreclosure of a first mortgage on said Lot or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, except any Governmental Assessment. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof or relieve the prior Owner from any personal liability for any unpaid assessments occurring prior to said sale or transfer.

4.08 Estoppel Letter. The Association shall, within thirty (30) days after receiving a written request therefor and for a reasonable charge, as established by the Board of Directors, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. A

certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be binding upon the Association.

4.09 Working Capital Contribution. In addition to annual and special assessments levied hereunder, the first Owner acquiring title to a Lot from Declarant and/or a Builder and all subsequent Owners of each Lot upon acquisition of such Lot shall pay to the Association at their closing on their Lot a contribution to the Association's working capital an amount equal to three (3) months of assessments for Common Expenses then being levied by the Association against such Lot. This working capital contribution may be used by the Association for any purpose not expressly prohibited by applicable law.

4.10 Declarant Exemption; Assessments During Declarant Control. Notwithstanding anything contained herein to the contrary, all Lots owned by Declarant shall be exempt from assessments of any type by the Association until the first to occur of (i) Declarant's execution and recording in the real property records of Escambia County, Florida of a written waiver of the exemption from assessments set forth in this Section 4.10 or (ii) Turnover; provided, however, that for so long as Declarant's Lots are exempt from assessments, Declarant shall be responsible for and shall pay any and all operating expenses of the Association that exceed the amount of assessments receivable hereunder from the other Members and other income sources (if any) of the Association.

ARTICLE FIVE **MAINTENANCE AND REPAIR**

5.01 Maintenance. The Association shall provide maintenance of the Common Area. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Subdivision and to enter into easement and covenant to share costs agreements regarding such property where the Board has determined that such action would benefit the Owners. The Association shall not be liable for injury or damage to person or property: (x) caused by the elements or by an Owner or any other person; (y) resulting from rain or other surface water which may leak or flow from any portion of the Common Area; or (z) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Each Lot Owner shall maintain his or her respective Lot and shall also maintain and repair, at such Owner's sole cost and expense, said Owner's House, patio and yard area keeping the same in good condition and making all structural repairs and maintenance, external and internal, as may be required from time to time, including, but not limited to maintenance and repairs of any enclosed patio area, screens and screen doors, exterior door and window fixtures, glass, and other hardware. Each Owner shall also be responsible for the maintenance and repair of any fence or fences erected on such Owner's Lot and gates appurtenant thereto.

5.02 Failure to Maintain. In the event an Owner shall fail to maintain and repair his Lot and the improvements situated thereon, as provided for herein and provided that the failure to so

maintain shall cause damage or injury to the adjoining Lot or to common structural elements which affect an adjoining Lot, the Association, after approval by a majority vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the House and any other improvements erected thereon. The cost of the same shall be added to and become part of the assessment to which such Lot is subject; provided, however, if a dispute arises concerning the foregoing between the Lot Owner and the Association, the matter may be submitted to arbitration in accordance with the mutual agreement of the parties.

5.03 Damage to Common Area. Notwithstanding anything contained in this Article Five to the contrary, each Owner shall be personally responsible and personally liable for any damage to the Common Area, or any portion thereof, caused by the Owner and/or the Owner's family members, guests, invitees, lessees or licensees as a consequence of the negligence, recklessness or willful misconduct of such person. The cost of repair for any damage so caused by the Owner, the Owner's family members, guests, invitees, lessees or licensees shall be a special assessment against the Owner responsible therefor and the Lot of such Owner.

ARTICLE SIX **ARCHITECTURAL CONTROL**

6.01 Submission of Plans and Specifications. No House, building, fence, wall, or other structure or improvement shall be constructed, erected, or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted by an Owner to and approved in writing as in harmony with this Declaration and the external design and location of the surrounding structures and topography by the Architectural Review Committee. Two (2) copies of the final building or construction plans, specifications, and plot plat showing the location of each building, structure, or improvement (collectively, the "Plans") shall be submitted to the Architectural Review Committee. Prior to commencement of any construction activities on a Lot, an Owner's Plans must be approved by the Architectural Review Committee as to conformity and harmony with this Declaration and of external design with the existing or planned structures in the Subdivision and as to location of the building, structure, or improvement with respect to topography and finished ground elevation. The Architectural Review Committee may, from time to time, establish additional written design guidelines for the Subdivision.

6.01.01 Preferred Builder Construction. Declarant hereby acknowledges that Truland Homes, LLC, an Alabama limited liability company, as a Preferred Builder, has received prior approval of all of Preferred Builder's standard floor plans, elevations, color palette, typical landscape plans and typical site plans for use within the Properties and is, therefore, exempt from the provisions of Section 6.01.

6.02 Approval or Disapproval. The Architectural Review Committee shall indicate its approval or disapproval of such plans and specifications by delivering, in writing, notice of such approval or disapproval to the requesting Lot Owner. In the event the Architectural Review

Committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval shall be deemed automatically given.

6.03 Right of Inspection. The Architectural Review Committee shall have the right, but not the obligation, to inspect the Owner's Lot and improvements during construction and prior to occupancy to insure construction in accordance with the construction plans submitted and approved by the Architectural Review Committee. Failure of an Owner to comply with the provisions of this Section 6.03, or failure of an Owner to carry out construction in accordance with the provisions of this Article, shall subject such Owner to such remedies as might be available at law or in equity (including, but not limited to, specific performance and injunction, payment of the prosecuting parties' reasonable legal fees and expenses).

6.04 Limited Review. The scope of review by the Architectural Review Committee is limited to appearance only and does not include any responsibility for structural soundness, suitability of construction or materials, compliance with building or zoning codes or standards, this Declaration, or any other similar or dissimilar factors.

6.05 Waiver of Liability. Neither the Architectural Review Committee nor any architect nor agent thereof nor the Association nor any agent or employee of any of the foregoing shall be responsible in any way for the failure of any improvements to comply with the requirements of this Declaration, nor for any defects in any plans and specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications, and all persons relying thereon or benefiting therefrom agree not to sue or claim against the entities and persons referred to in this Section for any cause arising out of the matters referred to herein and further agree to and do hereby release said entities and persons for any and every such cause.

ARTICLE SEVEN **USE RESTRICTIONS**

7.01 Residential Use. Each Lot is hereby restricted to a private, single-family dwelling for residential use.

7.02 Subdivision of Lots. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the terms, conditions, and provisions hereof, to easements and rights-of-way, and matters of public record. No Lot may be subdivided into a smaller Lot or Lots unless approved by the Members; provided, however, that an entire Lot may be combined with an entire adjacent Lot and occupied as one Lot but assessed and governed as two Lots.

7.03 Signs. No sign of any kind shall be displayed on any Lot, except (i) that any Owner actively attempting to sell his Lot may place a "for sale" sign of less than four (4) square feet on his Lot; (ii) during the building of homes in the Subdivision, the Declarant and/or the Builders in the Subdivision may place signs at the entrance and/or on any Lot to advertise the Subdivision and

the Lots for sale therein; and (iii) any Owner may display a sign of reasonable size provided by a contractor for security services within 10 feet of any entrance to the home.

7.04 Noxious and Offensive Activity. No noxious or offensive activity shall be carried on, in or upon any Lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to any other Owner.

7.05 Design Criteria: Structure. All improvements to be constructed or otherwise located on a Lot by an Owner shall comply with the following requirements:

- (a) Any House shall contain a minimum of Eighteen Hundred (1800) square feet of heated and cooled living space.
- (b) No House may exceed two (2) habitable stories above grade.
- (c) All sidewalks shall be constructed along the street right-of-way of each Lot in accordance with a uniform plan established by the Declarant. Accordingly, each site Plan submitted to the Architectural Review Committee shall show the location and material to be used for construction of the sidewalk, all as required and approved by the Architectural Review Committee. Each Owner shall construct or cause to be constructed on his or her Lot the approved sidewalk (1) upon completion of the House on his or her Lot and before occupancy thereof.
- (d) The residential structure may contain a garage or carport; provided however, that no garage or carport may have a flat roof and any such garage or carport shall be in conformity with the general architecture of the primary residential building or structure.

7.09 Temporary Structures. No structure of a temporary character, trailer, mobile home, motor home, modular building unit, basement, tent, shack, garage, barn, or other outbuilding shall be used at any time on the Lots as a residence, either temporarily or permanently.

7.10 Vehicles.

- (a) No inoperative cars, trucks, trailers, boats, campers or other types of vehicles shall be allowed to remain either on or adjacent to any Lot for a period in excess of forty-eight (48) hours; provided, however, this provision shall not apply to any such vehicle being kept in an enclosed garage.

ARTICLE EIGHT **ADDITIONAL RESTRICTIONS**

8.01 Leasing. Homes and Lots may be leased by an Owner for residential purposes only; provided, however, that such lease and the rights of any tenants thereunder are hereby made expressly subject to the power of the Association to prescribe reasonable rules and regulations relating to the lease and rental of Lots and Homes and to enforce the same directly against such tenant or other occupant by the exercise of such remedies as the Board of Directors deems appropriate, including eviction. No such lease shall be for less than one (1) year. Further, all leases must be in writing, with a copy provided to the Association upon request by the Association. Any Owner who leases his Home or any portion thereof shall be responsible for the acts of his tenants, including, without limitation, the violation of this Declaration and/or any rules and regulations promulgated by the Association hereunder.

8.02 Restrictions on Mortgaging Lots. Nothing contained herein shall be construed to place any restrictions on an Owner's right to mortgage his Lot.

8.03 Regulations. Reasonable rules and regulations concerning the use of the Lots and the Common Area may be made and amended from time to time by the Board of Directors.

8.04 Lender's Notices. Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor and the Lot number or address, any mortgage holder, insurer, or guarantor will be entitled to timely written notice of:

- (a) Any condemnation or casualty loss that affects either a material portion of the Common Area or the Lot securing its mortgage.
- (b) Any 60-day delinquency in the payment of assessments or charges owed by the Owner of any Lot on which it holds the mortgage.

ARTICLE NINE
ENFORCEMENT; DURATION; AMENDMENT

9.01 Enforcement. The Association, the Board of Directors, the Architectural Review Committee and/or any Owner shall have the right to enforce by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges imposed by the provisions of this Declaration. Failure by the Association, the Board of Directors, the Architectural Review Committee and/or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

9.02 Enforcement by Owners. An Owner may file a legal action for the violation of this Declaration (the "Complainant"), provided that the following procedure is strictly followed:

- (a) The Complainant must first give the Association written notice of the alleged violation of this Declaration together with a demand seeking that the Association enforce the terms of this Declaration as against said violator; and
- (b) The Association must fail to cause a cure of the alleged violation or, if the alleged violation has not been cured, fail to commence legal proceedings against said violator for the enforcement of the terms and conditions of this Declaration within one hundred twenty (120) days of the date of the Association's receipt of the notice referenced in subsection (a) hereof.

9.03 Attorneys' Fees. In any action (whether in advance of or prior to the initiation of any legal or equitable proceeding, in arbitration, in trial, in any administrative or other similar proceedings, or in any appeal from any of the same) pertaining to any condition, restriction or covenant herein contained (due to their alleged violation or breach) or for the enforcement of any lien against any lot or against any person or entity, unless otherwise expressly provided in this Declaration to the contrary for specific instances and conflicts, the prevailing party shall be entitled to recover all costs, including reasonable legal fees and expenses.

9.04 Term. This Declaration is to take effect upon recordation and shall be binding upon the Association and all Owners and all persons and entities claiming title under and through them for fifty (50) years after the date this Declaration is recorded in the public records, after which it shall be automatically extended for successive ten (10) year periods unless an instrument in writing, signed by Members holding at least eighty percent (80%) of the voting interests in the Association, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein.

9.05 No Additional Burden. No amendment of this Declaration shall place an additional burden or restriction or requirement on any Lot where the Owner of such Lot does not join in said amending instrument.

9.06 Amendments. This Declaration may be amended by vote of the Members having sixty-seven percent (67%) of the voting interests in the Association, or by a written instrument signed by the same percentage of Members; provided, however, that any amendment to this Declaration that alters the Stormwater Management System, beyond maintenance in its original condition, including mitigation or preservation areas and the water management portions of the Common Area, must have the prior approval of NFWFMD. Notwithstanding the foregoing, Declarant shall have and reserves the right at any time and from time to time, without the joinder or consent of any other party to amend this Declaration by any instrument in writing duly signed, acknowledged and filed for record for the purpose of correcting any typographical or grammatical error, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Declaration and shall not impair or adversely affect the vested property or other rights of any Owner or such Owner's Mortgagee.

9.07 Fines. Failure by an Owner, or by an Owner's tenant, guest or invitee, to comply with the terms of this Declaration, the Bylaws or with any rules and/or regulations as reasonably imposed by the Association shall result in a fine payable to the Association by the Owner of said Lot in an amount not to exceed \$100.00 per day for as long as the violation continues. The aggregate amount of fines imposed under this provision is unlimited. The Owner shall be given written notice and an opportunity to cure any such violations at least fifteen (15) days prior to the imposition of any such fine. The Owner shall be given the opportunity for a hearing before a committee of at least three (3) Members of the Association appointed by the Board of Directors, who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother or sister of an officer, director or employee. If the committee does not approve the proposed fine or suspension by majority vote, it may not be imposed. If the committee does approve the proposed fine or suspension, the Association must provide written notice of such fine or suspension by mail or hand delivery to the Owner, and, if applicable, to any tenant, licensee, or invitee of the Owner. In any action to recover a fine, the Association is entitled to collect its attorney's fees and costs from the offending Owner. This provision shall not apply to a violation which consists only of an Owner's failure to pay assessments when due.

ARTICLE TEN RESERVED DECLARANT RIGHTS

10.01 General Reserved Rights. Until Turnover, Declarant reserves unto itself, its successors and assigns:

- (a) A right-of-way and easement for ingress and egress and easement for utilities, drainage, maintenance, repairs and other related uses over, along, and across the Common Area for all purposes relating in any manner to the subdividing, developing or aiding in the development of the Subdivision or any parts or parts thereof or additions thereto by Declarant or others.
- (b) The right to grant easements and rights-of-way of ingress and egress and for drainage, utilities, maintenance and repairs along, over, across and under the

Common Area to any person, firm, corporation or entity for use as ingress or egress or for drainage, utilities, maintenance and repairs.

- (c) The right to maintain, and grant Builders the right to maintain, a sales office and/or a management office and/or one or more model homes in the Subdivision and to maintain signs therein advertising the Subdivision and to conduct its business and sales activities pertaining to the Subdivision therein and therefrom.

Except as set forth in Section 10.05, all of the above rights and interests reserved by Declarant may be exercised by Declarant without the consent or concurrence of the Association or any Member.

10.02 Right to Add Property. Declarant hereby reserves the right, exercisable in its sole and absolute discretion, to (a) make any real property adjacent to the Subdivision (the "Additional Property") subject to all or any of the terms and conditions of this Declaration and/or (b) permit owners of Additional Property to become Members of the Association. No assurances can be made as to whether any Additional Property will be added. Furthermore, Declarant expressly reserves the right to exercise this right on multiple occasions until Turnover. No assurances can be made with respect to the boundaries of any portions of any Additional Property that might be added. Declarant's option to add any Additional Property in accordance with this Section shall expire upon Turnover. The Additional Property may be added in accordance with this Section by an amendment to this Declaration, which amendment may be made and entered into by Declarant in its sole and absolute authority and discretion without the consent, approval or signature of the Association or any Member (except for the consent rights granted in Section 10.05). Notwithstanding anything contained in this Section to the contrary, no Additional Property shall be subject to this Declaration unless and until Declarant executes and records in the amendment to this Declaration affirmatively exercising Declarant's rights hereunder in the office in which this Declaration is recorded.

10.04 Amendment of Declaration by Declarant. Until Turnover, Declarant reserves unto itself the right, authority and power to amend this Declaration in any manner Declarant deems necessary and appropriate. Any amendment to this Declaration made in accordance with this Section shall require only the signature of Declarant and shall not require the signature of any other Lot Owner or any mortgagee of any Lot Owner, except as required by Section 10.05.

10.05 Insurance on Common Area. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U.S. Department of Veterans Affairs, and the U.S. Department of Housing and Urban Development, as applicable to the Subdivision. Accordingly, the Board shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Area, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board shall obtain a public liability policy applicable to the Common Area covering the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents, and, if reasonably available, directors' and officers' liability insurance. Policies may contain a reasonable deductible as determined by the Board. In

addition to the other insurance required by this section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the policy is in force, or any lesser amount of fidelity coverage allowable under the applicable Fannie Mae guidelines. Fidelity coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation. All such insurance coverage shall be written in the name of the Association.

10.06 Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry all-risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The policies required hereunder shall be in effect at all times.

10.07 Damage and Destruction – Insured by Association. Not later than ninety (90) days after damage or destruction by fire or other casualty to any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within 120 days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the voting interests of the Members. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed one hundred eighty (180) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a special assessment against the Owner of each Lot. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition.

10.08 Damage and Destruction – Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within ninety (90) days after such damage or destruction or, where repairs cannot be completed within ninety (90) days, they shall be commenced within such period and shall be diligently and continuously pursued until full completion, but in no event shall completion of such repairs take longer than two hundred seventy (270) days from the date of such damage or destruction. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within ninety (90) days after such damage or destruction. Upon demolition of all improvements on the Lot, the Owner shall ensure that the Lot does not become overgrown with weeds or other nuisance vegetation (as reasonably determined by the Association), shall maintain the Lot free and clear of all debris, and shall maintain the Lot in accordance with any written guidelines for the Subdivision established by the Architectural Review Committee.

10.09 Turnover. All rights of Declarant hereunder shall automatically terminate upon Turnover, except those rights that Declarant holds as an Owner and not by virtue of being the declarant under this Declaration, which shall continue as long as Declarant is an Owner.

ARTICLE ELEVEN **MISCELLANEOUS**

11.01 Savings. If any provision or provisions of this Declaration, or any article, section, sentence, clause, phrase, or word herein, or the application thereof, is in any circumstances held invalid, the validity of the remainder of this Declaration and the application thereof shall not be affected thereby.

Each Owner hereby consents and submits to the jurisdiction of any local, state or federal court located within said county and state and hereby waives any rights it may have to transfer or change the venue of any such litigation. The prevailing party in any litigation in connection with this Declaration shall be entitled to recover from the other party all costs and expenses, including without limitation fees of attorneys and paralegals, incurred by such party in connection with any such litigation.

11.04 Effect of Waiver or Consent. A waiver or consent, express or implied, to or of any breach or default by any Person in the performance by that Person of its obligations hereunder is not a consent or waiver to or of any breach or default in the performance by that Person of the same or any other obligations of that Person. Failure on the part of a Person to complain of any act or to declare any Person in default hereunder, irrespective of how long that failure continues, does not constitute a waiver by that Person of its rights with respect to that default.

11.05 Headings. The headings and captions herein are used solely as a matter of convenience and shall not define, limit or expand any term or provision of this Declaration.

11.06 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of a subdivision in accordance with Alabama law. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision or any other provision hereof.

11.07 Notice. All notices required or desired under this Declaration to be sent to the Association shall be sent certified mail, return receipt requested, by hand delivery or by a recognized overnight courier who maintains verification of delivery, to the Secretary of the Association, at such address as the Association may designate from time to time by notice in writing to all Owners. All notices to any Owner shall be delivered by hand delivery, by a recognized overnight courier who maintains verification of delivery in person, or sent by first (1st) class mail to the address of such Owner's Lot, or to such other address as he may have designated from time to time, in a writing duly received, to the Association.

11.08 Conflict Between Documents. If there is any conflict or inconsistency between the terms and conditions of this Declaration and the terms and conditions of the Articles of Incorporation, the Bylaws or any rules and regulations promulgated hereunder, the terms and conditions of this Declaration shall control. If there is any conflict or inconsistency between the terms and conditions of the Articles and the terms and conditions of the Bylaws or any rules and regulations promulgated hereunder, the terms and conditions of the Articles shall control. If there is any conflict or inconsistency between the terms and conditions of the Bylaws and the terms and conditions of any rules and regulations promulgated hereunder, the terms and conditions of the Bylaws shall control.

ARTICLE TWELVE **STORMWATER MANAGEMENT**

12.01 Stormwater Management

- (a) The Stormwater Management System shall be maintained by Escambia County (the "County") and shall be located: (i) on land that is designated Common Area on the Plat of Subdivision; (ii) on land that is owned by the Association; or (iii) on land that is subject to an easement in favor of the County and its successors.
- (b) No construction activities may be conducted relative to any portion of the Stormwater Management System. Prohibited activities include, but are not limited to, digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the Stormwater Management System. If the project includes a wetland mitigation area, or a wet detention pond, no vegetation in these areas shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from the Northwest Florida Water Management District ("NFWMD").

- (c) The County shall operate, maintain and manage the Stormwater Management System(s) in a manner consistent with the requirements of NFWFMD Permit No. IND-033-18115-1 and applicable NFWFMD rules, and shall assist in the enforcement of the restrictions and covenants contained herein. Maintenance of the Stormwater Management System(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the NFWFMD. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified as approved, by the NFWFMD.
- (d) NFWFMD has the right to take enforcement measures, including a civil action for injunction and/or penalties, against the County to compel it to correct any outstanding problems with the Stormwater Management System.
- (e) Any amendment of this Declaration affecting the Stormwater Management System shall have the prior written approval of the County and NFWFMD.
- (f) If any property within the Subdivision has on-site wetland mitigation which requires ongoing monitoring and maintenance, the Association shall allocate sufficient funds in its budget for monitoring and maintenance of the wetland mitigation area(s) each year until NFWFMD determines that the area(s) is successful in accordance with any environmental resource permit(s).
- (g) Each Owner, at the time of construction of their building or structure, shall comply with the construction plans for the Stormwater Management System approved and on file with the County and NFWFMD.
- (h) No Owner may construct or maintain any building or structure, or undertake to perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in the approved permit and Plat of Subdivision, unless prior written approval is received from the NFWFMD.
