Re: Spanish Trace Subdivision Road Paving MSBU

Dear Property Owner:

After the petition for the MSBU was mailed we realized some confusion in the petition language.

The \$15.85 per LF is the full cost of the paving project not the annual cost.

The assessments section should read:

The annual assessment will be approximately:

- Paving: \$3.17 per LF frontage, per year, for five (5) years.

To calculate your annual assessment, multiply the LF of your property by 3.17. For example,

$$\begin{array}{r} 98.53 \text{ LF} \\ \times 3.17 \text{ paving rate} \\ \hline \$ \underline{312.34} \text{ TOTAL ANNUAL ASSESSMENT} \end{array}$$

Let us know if there are additional questions.

Sincerely,

Henry Brewton
