Internal Control Matters Noted in the Audit	1
Communication with those Charged with Governance	2

## Carlson & Company, Chartered

Certified Public Accountants

July 24, 2025

To the Board of Directors Purple Parrot Village Condominium Association, Inc. Pensacola, Florida

In planning and performing our audit of the financial statements of Purple Parrot Village Condominium Association, Inc. (the Association), as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the Association's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph, and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, that allows a reasonable possibility that a material misstatement of the Association's financial statements will not be prevented, or detected and corrected in a timely manner. We consider the following deficiencies in the Association's internal control to be material weaknesses.

#### Controls over year-end financial reporting

Florida Statutes require that end of year financial statements for owners conform to generally accepted accounting principles (GAAP). The financial statements we were given to audit required significant adjustments to conform to GAAP. Some of the audit adjustments were made at the request of management. Other adjustments were made in areas where management relied on the auditors' knowledge of GAAP for accurate financial reporting.

This communication is intended solely for the information and use of the Board of Directors of Purple Parrot Village Condominium Association, Inc. and its management, and is not intended to be, and should not be, used by anyone other than these specified parties.

July 24, 2025

To the Board of Directors Purple Parrot Village Condominium Association, Inc. Pensacola, Florida

We have audited the financial statements of Purple Parrot Village Condominium Association, Inc. (the Association), as of and for the year ended December 31, 2023 and have issued our report on them dated July 24, 2025. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to the scope and timing of our audit. We have communicated such information in our engagement letter to you dated February 25, 2025. Professional standards also require that we communicate to you the following information related to our audit.

### **Qualitative Aspects of Significant Accounting Practices**

Significant Accounting Policies

Management, with the oversight of the Board of Directors, has the responsibility to use appropriate accounting policies. A summary of the significant accounting policies for the Association is included in Note 2 to the financial statements. We noted no transactions entered into by the Association during the year for which there is a lack of authoritative guidance or consensus. Based on our audit testing, it appears that all significant transactions have been recognized in the financial statements in the proper period.

#### Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to the financial statement users. The most sensitive disclosure affecting the Association's financial statements are related to the deposits in excess of the current FDIC coverage in Note 4.

#### **Audit Adjustments**

Professional standards require us to tell you about all known and likely misstatements found in the audit, other than trivial amounts. Management has corrected all identified misstatements. The attached schedule shows the adjusting journal entries that were brought to the attention of and corrected by management.

#### **Representations Received**

We have received written representations which are included in the attached letter.

Purple Parrot Village Condominium Association, Inc. July 24, 2025

#### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, that could be significant to the Association's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

#### **Management Consultation with Other Independent Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Association's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no consultations with other independent accountants.

#### **Other Matters**

With respect to the supplementary information required by the Financial Accounting Standards Board and the State of Florida, management has omitted that information which, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board and the State of Florida, who consider it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

#### **Independence**

In the normal course of our professional association with the Purple Parrot Village Condominium Association we generally discuss a variety of matters, including the application of accounting principles, auditing standards, operating and regulatory conditions affecting the Association, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as auditors for the Association.

#### **Distribution of Report**

This report is intended solely for the information and use of management, the Board of Directors, and others within the Association and is not intended to be, and should not be used by anyone other than these specified parties.

### (Letterhead of Purple Parrot Village Condominium Association)

### CLIENT REPRESENTATION LETTER

July 24, 2025

Carlson & Company, Chartered 7100 Plantation Road, Building 21 Pensacola, Florida 32504

We are providing this letter in connection with your audit of the financial statements of Purple Parrot Village Condominium Association, Inc. (the Association) which comprise the balance sheet as of December 31, 2023, and the related statements of revenues and expenses, changes in fund balances, and cash flows for the year then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of July 24, 2025, the following representations made to you during your audit.

#### Financial Statements

- 1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter February 25, 2025, including our responsibility for the preparation and fair presentation of the financial statements.
- 2. The financial statements referred to above are fairly presented in conformity with U.S. GAAP.
- 3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- The methods, significant assumptions, and data we used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP.
- 6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

- All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- 8. We are in agreement with the adjusting journal entries you have proposed, and they have been posted to the Association's general ledger.
- 9. The effects of all known actual or possible litigation, claims, and assessments have been disclosed in the financial statements in accordance with U.S. GAAP.
- 10. Material concentrations have been properly disclosed in accordance with U.S. GAAP.
- 11. Guarantees, whether written or oral, under which the Association is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.
- 12. Transfers or designations of fund balance or inter-fund borrowings have been properly authorized and approved and have been properly recorded or disclosed in accordance with GAAP.
- 13. Uncollectible interfund loans have been properly accounted for and disclosed in accordance with GAAP.

#### Information Provided

- 14. We have provided you with
  - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
  - b. Additional information that you have requested from us for purpose of the audit.
  - Unrestricted access to persons within the Association from whom you determined it necessary to obtain audit evidence.
- 15. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 16. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 17. We have no knowledge of any fraud or suspected fraud affecting the Association involving.
  - a. Management,
  - b. Employees who have significant roles in internal control, or
  - Others where the fraud could have a material effect on the financial statements.
- 18. We have no knowledge of any allegations of fraud or suspected fraud affecting the Association's financial statements communicated by employees, former employees, regulators, or others.
- 19. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
- 20. We have disclosed to you all known actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements.

- We have disclosed to you the names of all of the Association's related parties and all the 21. related party relationships and transactions, including any side agreements.
- The Association has satisfactory title to all owned assets, and there are no liens or en-22. cumbrances on such assets nor has any asset been pledged as collateral, except as has been disclosed in the financial statements.
- The board of directors has conducted a study to estimate costs of future major repairs and 23. replacements, but unit owners have elected to only partially adopt the study's recommendations and to not fully fund the required annual amount. Excess repair and replacement costs are being funded through special assessments or borrowings as needs arise.
- The Association's allocation of expenses against exempt and nonexempt function income 24. conforms with IRS rules, which require that the allocation be made "on a reasonable basis." We have adequately documented such allocation.
- In regards to the tax return services performed by you, we have made all management 25. decisions and performed all management functions. We have designated an individual with suitable skill, knowledge, or experience to oversee your services. We have evaluated the adequacy and results of the tax return services performed and accept responsibility for the tax return filed.
- As part of your audit, you prepared the draft financial statements and related notes. We 26. have designated an individual with suitable skill, knowledge, or experience to oversee your services and have made all management decisions and performed all management functions. We have reviewed, approved, and accepted responsibility for those financial statements and related notes.
